Abbott David Ball Memorial Scholarship Application Form

Student Award, Sponsored by Abbott Laboratories, Diagnostics Division

David Ball was an inspiration to every laboratory technologist in Canada. He succumbed to renal disease in July 2001. David served his entire laboratory career working for the Western Health Care Board and resided in Deer Lake, NL. Outside of his career, David was an active community leader and volunteer with the Deer Lake Town Council, Scouts Canada, and the Gideons.

The NLCMLS in conjunction with Abbott Laboratories, Diagnostics Division offers a provincial recognition in the form of a cash award. Students who have completed Semester 6 of their second year of studies in the Medical Laboratory Sciences Program at CNA will be eligible; the award will be presented when the student is in their third year of the program.

The award is based on academic achievement (recent transcript), an outline of community services, and a written essay explaining the importance for them choosing medical laboratory.

Guidelines

- 1. Enclose official transcript from your medical laboratory technology program.**
- 2. Written outline of community service.**
- 3. Written essay explaining the importance of you choosing medical laboratory.**
- 4. Entries must be submitted by June 1st, of each year.**
